Re: Grant #1786

Dear Dr. Wortis:

In response to your letter of February 25, 1985, I am pleased to inform you that The Council For Tobacco Research has authorized a donation of $2,500.00 for partial support of the 1985 FASEB Summer Research Conference on Lymphocytes and Antibodies. A check for that amount is enclosed with this letter. We request only that our contribution not be used to support costs for participants from the industrial sector. Although the conference conflicts with another at which CTR must be represented, I hope you will reserve one seat for us if someone from this office can attend.

The list of topics you shared with us is both interesting and ambitious, and several are of high relevance to the Council's current priorities.

Sincerely,

Harmon C. MacAllister
